EduCampus

Digitary Townhall:

EduCampus are partnering with our Student Credentials System supplier, Digitary, to plan an exciting townhall event, taking place, in person, this August. Invitations will be issued in the coming weeks but the event is open to all, so please share the details with anyone you know who would be interested in attending.

SAVE THE DATE!

The event will feature the following topics:

- Digitary Roadmap
- Digitary Core update
    Current & New Features
- The future of Digital Credentials
    Badges & Micro-credentials
- Focus Sessions & Workshops

Student Records Management System (SRMS) Banner 9 Upgrade

Congratulations to the team in ATU Donegal, who in April 2022 were the first HEI to go live on a cloud based Banner 9 SRMS system in Ireland. Congratulations also to SETU Carlow who, as validation site, have also successfully transitioned to the Banner 9 SRMS solution. EduCampus is continuing to roll out this solution across all of it's SRMS clients.

eInvoicing

EduCampus have completed all phases of the project to provide an eInvoicing shared-service solution to it's FMS client community. This solution not only ensures compliance with the European Standard (EN) but also delivers a fully automated integration into each clients' Financial Management System. It also facilitates the automatic transfer of structured data received in eDocument form, from third parties to the client's data processing environment (Unit4 ERP). In addition, the implementation of the Incoming Invoices module has improved the processes for registration and processing of both eInvoices and emailed invoices across the sector. Congratulations to all involved in a very successful project!

EduCampus Supporting the Establishment of Technological Universities

Educampus have been instrumental in assisting the Technological Universities in meeting their goal of consolidating their MIS systems. This is a key deliverable for both EduCampus and our TU clients. Excellent progress has been made to date with the following projects now completed:

TU DUBLIN (Ollscoil Teicneolaíochta Bhaile Átha Cliath / Technological University Dublin)
- ✓ HRM & Payroll Consolidation
- ✓ FMS Consolidation

ATU (Ollscoil Teicneolaíochta an Atlantaigh / Atlantic Technological University)
- ✓ HRM & Payroll Designation Date readiness
- ✓ Student Credentials TU Rebranding

SETU (Ollscoil Teicneolaíochta an Oirdheiscirt / South East Technological University)
- ✓ HRM & Payroll Designation Date readiness
- ✓ FMS Consolidation
- ✓ Student Credentials TU Rebranding

TUS Midlands Midwest
- ✓ HRM & Payroll Designation Date readiness
- ✓ FMS Consolidation
- ✓ Student Credentials TU Rebranding

MTU
- ✓ FMS Consolidation
- ✓ HRM & Payroll Consolidation

Additional Consolidation Projects Underway

MTU – Library Management System (LMS)
ATU - Finance Management System (FMS)
SETU - Library Management System (LMS)

EduCampus would like to express its appreciation to the client community for their participation and hard work during these projects and we look forward to further opportunities for collaboration.

Expansion of the EduCampus Client Community

In partnership with ESBS, EduCampus are delighted to welcome the National College of Art and Design and the Royal Irish Academy of Music to our client community. We look forward to working with them and supporting them in going live on the People XD, HRM & Payroll system.

Client Service Reviews

Client Engagement is at the core of what we do at EduCampus and the annual CSR is an integral part of that, allowing us the opportunity to demonstrate how we are delivering on services and enabling each member of our Client Community to provide invaluable feedback on the services they receive. The EduCampus team are on the road again and are excited to see everyone face to face for our annual reviews over the coming months!

HEAnet Conference

The EduCampus team were delighted to take part in the HEAnet conference in Killarney in March. Noreen Layden and Rory McGinty shared their expertise on the SRMS Banner 9 implementation. In addition, EduCampus CEO Paddy Naughton participated in a panel discussion with HEAnet CEO Ronan Byrne, Department of Education Assistant Secretary Deirdre McDonnell, and GÉANT CEO Erik Huizer.

HEAnet Conference '22

NUI Galway 'Student Digital Pathways' (SDP) programme

In June 2021, EduCampus welcomed NUI Galway to its client community taking both the Student Records Management System and Student Credentials System. The NUI Galway 'Student Digital Pathways' (SDP) programme will transform the processing and management of student data throughout the University. Central to the delivery of the Student Digital Pathways programme, will be the implementation of the Banner 9 and Digitary Core solutions under the EduCampus Framework Agreements with DXC and Digitary respectively. The projects commenced in July 2021 with delivery of the systems targeted for completion in September 2023.
